'The Convenings' coming to Luverne

For five years Minnesota Public Radio's Cathy Wurzer (left) discussed living with ALS with Bruce Kramer, a dean at St. Thomas University, St. Paul. Together they authored the book, "We Know How This Ends: Living While Dying." Kramer died in 2015 after living with ALS since 2010. His lessons and reflections are carried on by Wurzer and "The Convenings" organization, a joint effort between Honoring Choices Minnesota and the Bruce Kramer Foundation. Wurzer will lead a discussion about living and dying well at the Feb. 16 event at the Luverne High School Auditorium. It begins at 6:30 p.m. See the Feb. 2 Rock County Star Herald for that story, and for all the latest news, sports and features.

HOW'S OUR MARKET?
If you're wondering how our local real estate market is faring today, we can help! We'll provide you with a snapshot of the health of our market and how it affects your home sale and/or purchase. To understand if it's a buyer's market or seller's market (or balanced market), we'll look at the months of supply of homes for sale. This calculation tells us how many months it would take to sell the current homes for sale if no other homes came up for sale by dividing the total number of homes for sale by the number of homes sold in one month. Average supply is four to five months' worth. If it's more than that, it's a buyer's market; less than that, it's a seller's market. Contact us for more details. We'd love to talk real estate with you whether you're a home seller, buyer or both.
