**Congratulations to the 2016
Dollars for Scholars recipients
and we wish them good
luck in the future!**

Luverne Dollars for Scholars, an affiliate of Scholarship America, is a locally run, non-profit organization promoting post-secondary education by providing scholarships to graduating seniors from Independent School District No. 2184. The purpose of the organization is to raise money for its endowment fund and to annually disperse the earnings in the form of scholarships to Luverne High School graduates. The success of Luverne Dollars for Scholars is the direct result of many generous donations from Luverne graduates and community members. Applicants are evaluated on the following criteria: academic performance, scholastic aptitude, work experience, school activity and community involvement. This school year, Luverne Dollars for Scholars is awarding \$354,750 in scholarships to 69 qualifying graduates from the Class of 2016. Since the first awards in May of 1984, scholarships totaling \$3,355,225 have been awarded to 1,665 students.

Luverne Dollars for Scholars has an endowment fund of over \$8.3 million.
