CARDS OF THANKS

Thank you to all for your prayers, cards, visits, food, memorials and generous acts of kindness shown to our family since the loss of our Tim. There are no words to express our heartfelt appreciation. Special thanks to Dingmann Funeral Home for all their help, Pastor Ron, the women of Grace Lutheran Church, and the Adrian School for the beautiful tribute at the band and choir concert and graduation.

Thank you dear family and friends for the food, flowers, phone calls, visits and the use of walkers so I can get around. I appreciate everything Dr. Crabtree and all the staff at the hospital have done for me and are still doing.

Pat Stoltenberg
(2.25-2.29)

First, I want to thank our daughter Lori, for hosting my special 80th birthday party. Words can't express how I felt visiting with each and every one of you. So many people came; so many sent greetings and so many people saw me in the stores etc. and greeted me with "I see that you are celebrating a birthday." It just amazed me!! Thank you for your part of honoring me on this special day. I need to thank Steve for taking pictures at my first party with the Water Aerobics Gang! Next, thank you to Lila and her crew at the Pizza Ranch for a great place to have a fun time! Next, thank you to all of you who came or sent a card, it was appreciated very much. I will never, ever forget my 80th birthday.

60 credit two-year Associate of Applied Science Degree

Health Information Technology A.A.S. Degree

Minnesota West offers two program options related to Health Information Management careers: including a Diploma in Medical Coding Specialist, and an Associate of Applied Science degree in Health Information Technology. Health Information Technicians analyze, secure, and maintain patient health information.

Health Information Technicians compile, process, and maintain medical records of hospital and clinic patients in a manner consistent with medical, administrative, ethical, legal and regulatory requirements of the health care industry. Other duties may include processing, maintaining, compiling and reporting patient information for health requirements and standards using the medical coding system.

Medical Coding Specialists work closely with other health care professionals in coding diagnosis and procedures on patient medical records, analyzing medical records for completeness of documentation, working with insurance companies, and reimbursement procedures.
