Have you ever thought about a career in early childhood?

Does the idea of providing education and care for children in a family environment appeal to you?

There is great need for quality, professional child care providers, especially those who are interested in working with infants.

For information about the family child care licensing process, please contact:

Southwest Health and Human Services
507-283-5070

For other questions about the need for quality child care contact:
Region 8 Child Care Aware/SMOC
800-658-2444 or email kdeboer@smoc.us

By giving children the care they need early in life, you play a role in their future success. The need for child care is growing. There is no more important work anyone can do.
