This Craftsman style home is a beautiful turn of the century home. The grand appearance and detail in workmanship is apparent throughout the interior and exterior of this home. Beginning with the recently rebuilt front porch, enjoy evenings relaxing on a porch swing, or have a refreshment on the front porch and watching the children playing in the yard. Inside the home you will find a sitting room and a formal living room on the main level, a dining room and a fabulous renovated kitchen. The back entry is large with tons of storage. The upper level has 3 bedrooms and the master bedroom has a large walk in closet with built in dresser. The bathroom on the second level is large and luxurious. The lower level features a family room/man cave a guest bedroom with legal egress and a 3/4 bath combination laundry room. Recent improvements are reshingled in 2016, new combination windows in 2016 and a rebuilt front porch in 2016. There is nothing to do but move in.

The remodeling has been started; bring your tools and imagination and you can find a great deal on this home. The home offers a spacious living room with gas fireplace. Newer style siding, attached two stall garage and a large lot.

If you are considering selling your home, call for a free market analysis to find out what your home may be worth. We have buyers looking!

Child Care Matters

90 percent of your child's brain develops by age 5.
Looking for Child Care? Questions on Child Care? WE CAN HELP!

Find and learn about child care.

Child Care Aware Minnesota: call 1(888) 291-9811 or visit childcareawaremn.org

Quality child care looks like...

- Child care providers talk with children often and at their own level.
- Parents and child care providers communicate daily about the children's well-being.
- Child care providers are knowledgeable and have been trained to care for children.
- Children are cared for in small groups and receive the attention they need from adults.
- The child care space is clean and the care provider has a plan in place to keep children safe and healthy.
- A variety of activities are planned throughout the day that are interesting and involve each child.
