IMPORTANT PROPERTY TAX HOMESTEAD NOTICE

ROCK COUNTY PROPERTY OWNERS*

*This will affect the amount of property tax you pay in 2017, and it may affect your eligibility for a property tax refund.

HOMESTEAD

Have you purchased or moved into a property in the past year?

Contact the Land Records Office to file a homestead application if you or a qualifying relative occupy the property as a homestead on or before December 1, 2016.

Who is a qualifying relative?

For agricultural property, a qualifying relative includes the child, grandchild, sibling, or parent of the owner or owner's spouse. For residential property a qualifying relative also includes the owner's uncle, aunt, nephew, or niece.

When do I apply?

You must apply on or before December 15, 2016.

Once homestead is granted, annual applications are not necessary unless they are requested by the Rock County Land Records Director.

Contact the Land Records Office by December 15, 2016 if the use of the property you own or occupy as a qualifying relative has changed during the past year.

CHANGES IN YOUR HOMESTEAD STATUS

If you should sell, move, or for any reason no longer qualify for the homestead classification, you are required, by statute, to notify the Land Records Office within 30 days of the change in homestead status.

AGRICULTURAL PROPERTY OWNERS

If you have agricultural land that you own and farm yourself or have a son, daughter, son-in-law, daughter-in-law, brother, sister or other legal entity farm, you may be eligible for a special agricultural homestead.

If you think you are eligible, please stop in the Rock County Land Records Office, or if you have any questions, please call 507-283-5022.

Tom Houselog
Rock County Land Records Director

'Tis the season to save energy
 Stay warm and cozy this winter with these low-cost energy-saving tips:

- Open curtains on south-facing windows to let sunlight heat your home, then close them at night.
- Seal air leaks around doors and windows with caulk or weather-stripping.
- Replace your furnace filter once a month or as recommended by the manufacturer.
- Use LED light strings to reduce holiday decorating costs.
- Set your water heater to the warm setting (120°F). You'll save energy and avoid scalded hands.
