LAND AUCTION

+/-65.40 Acres of Choice High Percentage Tillable Sweet Twp., Pipestone County, MN Land

We will offer the following real property at auction at the land located from Pipestone, MN (Jct. of Hwy. #30 & #23) - approx. 2 miles southwest on Hwy. #23 to 81st St./Co. Hwy. #4 (Cargill Elevator), then approx. 3 miles west on 81st St.; from the SD/MN State Line on MN. Hwy. #30 & SD Hwy. #34 - approx. 1 1/4 miles east on Hwy. #30 to 20th Ave., then 2 miles south on Co. Hwy. #13 (20th Ave.) and 1 1/2 miles east on Co. Hwy. #4 (81st St).

WEDNESDAY DECEMBER 9, 2015 SALE TIME: 10:00 AM

This choice high percentage tillable unimproved parcel of Pipestone County, MN land will be offered as a +/-65.40 acre unit, with the acres determined by a recent survey of the property. According to FSA information this farm is currently in two tracts, although a few acres of cropland originally included with the acreage site are being added into the portion being sold (The +/-16.06 acre acreage site situated in the NE corner of the farm is not included with the portion being sold on this auction), consequently this farm will be subject to an FSA Reconstitution subsequent to the sale of this land in conformance with the surveyed acres, presently the largest portion lying south and west of the acreage consists of a 58.36 acre tract with approx. 56.9 acres of cropland with a 27.50 acre corn base with a 169 bu. PLC yield and a 26.50 acre soybean base with a 49 bu. yield - all of which should be increased slightly by the addition of approx. 3.94 surveyed acres that previously were part of the acreage - as this area includes a few acres of cropland. This farm is enrolled into the County ARC election of the USDA farm program. According to the Pipestone Co. Assessor, the portion assessed as a +/-60 acre parcel had a CER of 74.61, comparatively information obtained from Surety Agri Data Inc. indicates that this land has a very high weighted soil index of 95.4. The general topography of this land is level to gently rolling with a predominately south/southeast-erly slope. The small amount of non-tillable acres are primarily comprised of a grassed waterway and roads. This land has had approximately 5000' of drain tile installed throughout areas of the farm which was installed by Evans Farm Drainage & Excavation. If you are in the market for a smaller tract of high caliber land to add on to an existing row crop operation or as an investment, then inspect this property at your convenience, get your financing in order and make plans to attend this auction!

LEGAL DESC.: N 1/2 NE 1/4, exc. a +/-16.06 acre acreage site in the NE corner, Sec. 29, T. 106N., R. 46W, (Sweet Twp.), Pipestone Co., MN.

TERMS: Cash - A 10% non-refundable earnest money deposit on the day of sale & the balance due and payable on or before January 28, 2016 with full possession. Marketable Title will be conveyed and at the option of the sellers, either an abstract of title continued to date will be furnished for examination or an Owner's Title Ins. Policy will be provided with the cost divided 50-50 between the buyer and seller. All of the RE taxes payable in 2015 will be paid by the owners, with the buyer to be responsible for payment of all of the RE taxes due & payable in 2016. This land is be sold based on the acres as determined by a survey of the property as prepared by Hanson Land Surveying Services, Ltd., with a Plat of Survey provided, with the acres understood to be "more or less", with the survey costs paid by the sellers. The sellers do not guarantee that the existing fences lie on the true and correct boundaries and any new fencing will be the responsibility of the purchaser pursuant to MN Law. FSA yields, bases, payments and other info. is estimated and not guaranteed and are subject to an FSA reconstitution and County Committee Approval. Information contained herein is deemed to be correct but is not guaranteed. This property is sold in "As Is Condition" and subject to existing easements, restrictions, reservations or highways of record, if any, as well as any or all applicable county zoning ordinances. The RE licensees in this transaction stipulate that they are acting as agents for the seller. Sold subject to confirmation of the owners.

IMPORTANT PROPERTY TAX HOMESTEAD NOTICE ROCK COUNTY PROPERTY OWNERS*

*This will affect the amount of property tax you pay in 2016, and it may affect your eligibility for a property tax refund.

HOMESTEAD

Have you purchased or moved into a property in the past year?

Contact the Land Records Office to file a homestead application if you or a qualifying relative occupy the property as a homestead on or before December 1, 2015.

Who is a qualifying relative?

For agricultural property, a qualifying relative includes the child, grandchild, sibling or parent of the owner or owner's spouse.

For residential property, a qualifying relative also includes the owner's uncle, aunt, nephew or niece.

When do I apply?

You must apply on or before December 15, 2015.

Once homestead is granted, annual applications are not necessary unless they are requested by the Rock County Land Records Director.

Contact the Land Records Office by December 15, 2015 if the use of the property you own or occupy as a qualifying relative has changed during the past year.

CHANGES IN YOUR HOMESTEAD STATUS

If you should sell, move or for any reason no longer qualify for the homestead classification, you are required to notify the Land Records Office within 30 days of the change in homestead status.

AGRICULTURAL PROPERTY OWNERS

If you have agricultural land that you own and farm yourself or have a son, daughter, son-in-law, daughter-in-law, brother, sister or other legal entity farm, you may be eligible for a special agricultural homestead.

If you think you are eligible, please stop in the Rock County Land Records Office, or if you have any questions, please call 507-283-5022.

Have you ever thought about a career in early childhood?
Does the idea of providing education and care for children in a family environment appeal to you?
There is great need for quality, professional child care providers, especially those who are interested in working with infants.

For information about the family child care licensing process, please contact:
Southwest Health and Human Services
507-283-5070

For other questions about the need for quality child care contact:
Region 8 Child Care Aware/SMOC
800-658-2444 or email kdeboer@smoc.us

By giving children the care they need early in life, you play a role in their future success. The need for child care is growing. There is no more important work anyone can do.

CARDS OF THANKS

Thank you for all the beautiful birthday cards, gifts and surprise party for my 80th birthday. You made my day.

Gerda Janssen
(11.22-11.26)

The family of Jeff O'Toole extends our sincere thanks for the many who supported us during Jeff's final days as he battled cancer. The many visits, calls, foods, flowers, prayers, hugs and greetings provided healing and comfort. We give gratitude for the memorials given in Jeff's name to the Luverne Hospice, the 4H foundation of Minnesota and ARC of Southeast Minnesota (people with intellectual and developmental disability). A special thanks goes out to the Hospice Cottage team, St. Catherine's Ministry and Father Tom Jennings, all of whom touched Jeff and our family in a most spiritual, sensitive, caring and dignified manner that fully supported Jeff as he peacefully passed from this world. Finally, thanks to Dan Dingmann and staff for kind and professional funeral details as well as fellowship.

The Thanksgiving tradition began at Plymouth Colony in the autumn of 1621. After a successful corn harvest, Governor William Bradford declared a three-day celebration of thanksgiving and prayer. The colonists thanked God for the year's blessings.

"Enter into his gates with Thanksgiving and into his courts with praise: be thankful to him and bless his name." ~Psalm 100:4
